

LineVoltPRO™ 8000

7-Day Programmable Electric Heat Thermostat

Honeywell

Honeywell's LineVoltPRO™ 8000 is one of the most advanced thermostats for electric heating on the market. It features precise comfort control, a sophisticated design and high-end programming features. Begin lowering your heating bill immediately with the pre-programmed 7-day schedule, or modify the programming to suit your lifestyle. With LineVoltPRO 8000, you'll see substantial savings and feel consistently comfortable.

LineVoltPRO™ 8000

CONSISTENT COMFORT. SUBSTANTIAL ENERGY SAVINGS.

Soundproofed for Quiet Operation — Reduces the clicking noise commonly heard with conventional thermostats.

Peace of Mind — On/Off switch allows you to turn the thermostat off at the end of the heating season.

Heating Indicator — At-a-glance confirmation that the heat is on.

On-Demand Backlight — Easy to read in various lighting conditions.

#1 Choice of Homeowners — Honeywell is the leading brand in temperature control.

Electronic Temperature Control — Precision of $\pm 1^\circ\text{F}$ saves up to 10%* on heating bill.

Early Start — Ensures programmed temperature is reached by programmed time.

Pre-Set 7-Day Program — Maintain the pre-set program schedule for up to 15%* energy savings, or modify the schedule to fit your lifestyle.

5-Year Limited Warranty

LineVoltPRO™ 8000 7-Day Programmable Electric Heat Thermostat
