

Join us for a Lunch & Learn
hosted by Cochrane Supply & Honeywell

Wednesday, August 16
From 11:00am-1:00pm CT
At the Cochrane Supply Dallas Branch

Honeywell has big news, hear it at your local Cochrane Supply! Join us for a free event featuring engaging presentations by Cochrane Supply staff and Honeywell representatives. Get ready to delve into an in-depth overview of Honeywell's cutting-edge products, versatile applications, and enhanced technology. Take advantage of this opportunity to ask questions and gain valuable insights into the extensive Honeywell product line and the dynamic partnership between Honeywell and Cochrane Supply while also enjoying lunch!

Topics that will be covered include:

- ***New Optimizer Suite***
- ***PLC Controllers***
- ***Field Devices***
- ***Variable Frequency Drives (VFDs)***
- ***Website Services***
- ***& More!***
