

COCHRANE SUPPLY

Your Leading **Smart Building Controls** Distributor.

**MAKING OUR
CUSTOMERS
SUCCESSFUL
SINCE 1967**

**SPECIALTIES INCLUDE:
HVAC / BAS CONTROLS
BUILDING AUTOMATION
ELECTRIC CONTROLS
PNEUMATIC CONTROLS
BURNER BOILER CONTROLS
NETWORKING & INTEGRATION**

WE PROVIDE THE FULL SOLUTION.

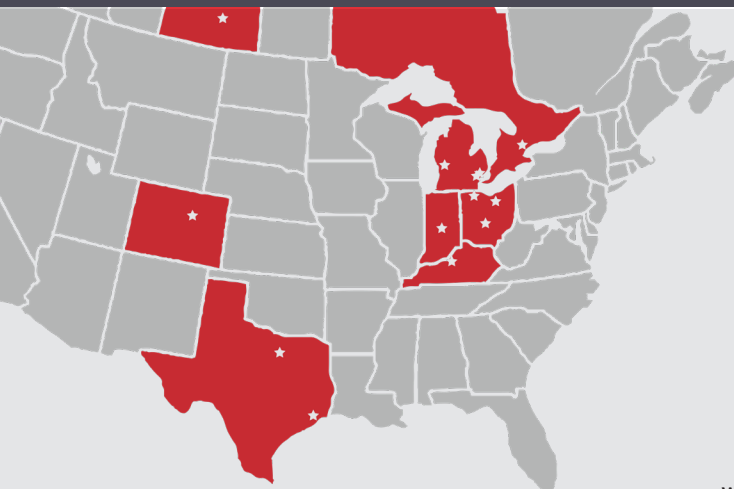

At Cochrane Supply we distribute the full solution, bridging hardware and software together. We're proud to represent some of the industry's top manufacturers, while offering one of the largest inventories of building automation controls at the core of today's smart buildings.

Our customer-focused approach helps contractors, systems integrators, technicians, and engineers complete the most complex projects. Backed by our best-in-class tech support and training, we have the inventory, training, and support to make you successful.
